

Kanoni Media Consortium

Company Profile

Kanoni Media Consortium is a Somali-focused media, radio production and campaign agency serving organisations that need trusted communication across Garissa, Wajir, Mandera and the wider Somali-speaking audience in Kenya.

What we do

- Radio advertising campaigns: concept, scripting, studio production and station placement.
- Translation and localization: English and Swahili to Somali transcreation.
- Media campaigns: strategy, creative direction, rollout and reporting.
- Poster design: culturally sensitive print and digital campaign materials.

Why partners choose Kanoni

- Deep cultural and linguistic expertise rooted in Northeastern Kenya.
- Local radio and media relationships for hard-to-reach audiences.
- End-to-end production, placement and measurement from one team.
- Practical field understanding for health, finance, governance and public-interest campaigns.
